MRO MARKETPLACE · NOW OPEN · FREE FOR CONTRACTORS

Get found by operators, schools and shops that need a pilot, a CFI, an A&P or an IA.

List yourself in the MRO Marketplace for free. Operators, flight departments, flight schools, aircraft owners and repair stations search it by type rating, hours, certificates, specialty and availability. Your contact details go only to Avistrata customers, and the reviews you get come only from jobs you've confirmed.

Free listing · Contract pilots · Flight instructors · A&P mechanics · IAs · You control your profile · Verified reviews

GETTING LISTED

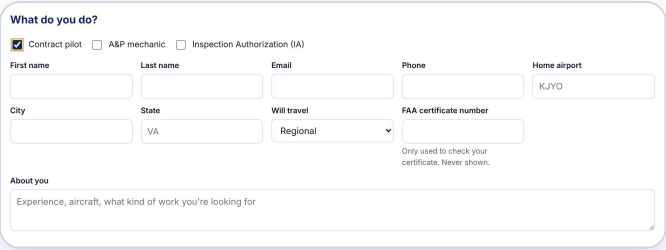

Four steps, about ten minutes

STEP 1
Fill in your profile
Pilot, CFI, A&P, IA or more than one: certificates, ratings, hours, what you teach, specialties, base, travel, availability and rates.

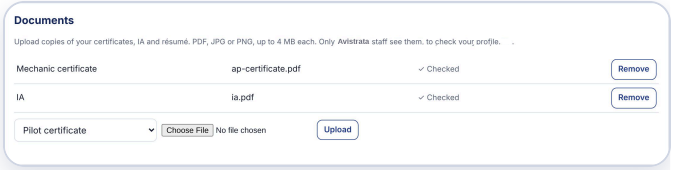

STEP 2
Confirm your email
We send a link. No password to remember: the link opens your profile.

STEP 3
Upload documents
Certificates, medical, instructor certificate, IA and résumé, as PDF, JPG or PNG. Only Avistrata staff see them.

STEP 4
We check and list you
Once we've checked your certificates, your profile appears in search with a "checked" badge.

YOUR PRIVACY

Who sees what

Who	What they see
Anyone searching	Your first name and last initial, roles, ratings and type ratings, instructor ratings and what you teach, hours, medical class and exam month, last Part 135 check months, A&P and IA status, specialties, base, how far you travel, availability, rates, your "about you" text and your reviews.

Who	What they see
Avistrata customers (paid plan, signed in)	Also your full name, email and phone number. Each lookup is logged, and each person can look up a limited number of contractors a day.
Avistrata staff	Your documents and FAA certificate number, to check your profile. These are never shown in search.

Stay current

Saving your profile confirms it's current. Profiles not confirmed for 4 months drop out of search until you save again.

Changes are re-checked

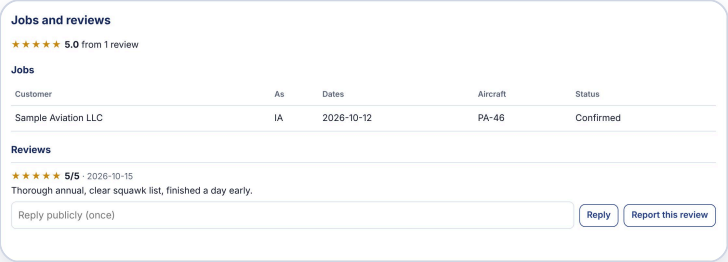

If you change a checked detail, like a type rating or your IA date, your profile goes back for a quick review.

Take it down any time

One button takes your profile out of search. Save it again to come back.

REVIEWS

Your reputation, from jobs you confirmed

Your jobs and reviews, with a public reply and a report button

Confirming a job a customer recorded

Only real jobs

A customer records a job with you and you confirm it from an email. Only then, and once the job has started, can they review it. One review per job.

Your side of the story

Reply publicly to any review, once. If a review is unfair or isn't about your work, report it and we'll look at it.

What customers rate

Overall stars, plus skill, professionalism, communication, reliability, and whether they'd hire you again.
